Congratulations, C5 New England Class of 2022!

On Sunday, May 15, the 80 high school seniors in our C5 Medallion class joined with family and friends to celebrate their C5 Graduation at Faneuil Hall. The ceremony was a joyous reflection on all this class has experienced and accomplished during their five years in the program.

We were thrilled to welcome commencement speaker, Rachael Rollins, United States Attorney for Massachusetts, along with the peer-nominated class speaker, Destiny Greaves, and ceremony emcees Alyssa Morales & Tatiana Megie-Maddrey.

Congratulations to the C5 Class of 2022! We know that you are destined to become the leaders and citizens this nation needs to evolve toward a place of greater justice and equity for all, and we are proud to be a part of your journeys.

Thank you Community Action Day volunteers!

On a chilly early May morning, we welcomed nearly 200 volunteers to Camp Wing for our inaugural Crossroads Community Action Day. Volunteers of all ages worked on service projects throughout camp, and heard from Crossroads staff, community members, and Massachusetts First Lady Lauren Baker. We are so grateful to all who came out to help us prepare for yet another summer at Camp Wing, where hundreds of young people will have access to opportunities for exploration, growth, and discovery.

We can't wait to do it again next year!

Rising to the Challenge!

In April, we launched our New Heights Challenge to help us prepare for a summer full of adventure and joyful community. A generous anonymous donor matched every dollar raised through the month of April, up to $50,000. The challenge worked—inspiring the support of more than 50 donors, who gave $54,000 to unlock this generous match.
It didn't end there! Longtime trustee, Jerry Bird and his wife, Grace, were moved by the support of our community and offered to match any additional gifts, up to $10,000. Once again, our community came through. Over five weeks, our back-to-back campaigns raised over $71,000 from 150+ donors and successfully unlocked $60,000 in challenge funds. Together, you have provided $131,000 total impact to help Crossroads soar to New Heights. We are deeply grateful for your generosity!

A record-breaking All-Sports Tag Sale!

Thank you to longtime supporters Selden Wells Tearse, Chelsie Olney, Corey Wisneski, and their team of volunteers for organizing the Duxbury All-Sports Tag Sale last weekend. Returning for the first time since 2019, sales and donations tallied over $8,800—the largest total in the 14-year history of the event! Thank you to the volunteers, donors, and buyers from Duxbury and across the South Shore who made this amazing day possible.

Crossroads is (still) hiring!

Summer job hunting or know someone who is?

We are reopening of all three of our camp sites for the first time since 2019, and we need YOUR HELP to provide Crossroads youth an unforgettable summer!

Our greatest need is for Maintenance and Front Office team members across all sites. We are also hiring Day Camp Counselors and Service Corps members at our Camp Wing location.

Submit your application today at crossroadsma.org/apply!
