

2023 PACKING LIST OF RECOMMENDED ITEMS FOR CAMP

When packing, keep in mind campers will be participating in various activities. Please make sure your child has apparel that is appropriate for outdoor activities, in case of temperature and weather change, and any other items that may help them have a comfortable time at camp.

We do have laundry facilities and laundry detergent on our campsites. Every camper will be able to have their laundry washed at least once a week. We also ensure that any emergency laundry is washed as needed.
